

SH904 Double Action Swivel Snaphook

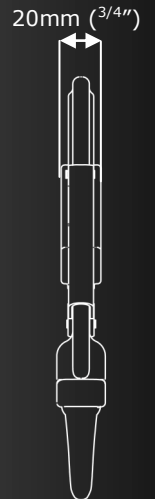

Data Sheet

The ISC Swivel-eye Karabiners can be supplied with a fall indicator. In the event of a fall, the red ring is exposed, alerting the user that a fall has taken place.

The SH904 is a Swivel-eye karabiner (fall indicating version available on request). The Safety Heel further reduces the risk of accidental opening and the 'Blind' nose helps to prevent rope snagging.

We also manufacture a Triple action version of this Snaphook (see product SH905).

Weight	191g (7oz)
Eye Diameter	20mm (1")
Gate Opening	22mm (7/8")
Body Material	Aluminium
Finish	Anodised
MBS	27kN (6070lbf)
